

Activity Alliance research charter

What is this document about?

This document is a list of **promises** that Activity Alliance has made, so that their research is barrier-free.

Activity Alliance is a charity working to make physical activity and sport inclusive for disabled people.

When we talk about **research** in this document, we mean collecting information from people to answer a question.

Activity Alliance worked with **disabled people** to make this research charter. This happened in **February 2024**.

Activity Alliance will do research that:

- Involves **diverse** people with **lived experience**.

- Has **impact** and meaning.

- Leads to **change**.

- **Values** you as individuals.

Activity Alliance will do research in a way that:

- Is **collaborative** and inclusive.

- Happens in spaces that make us all feel **safe**.

- **Honours** what you have said.

- Meets your individual **needs**.

Activity Alliance will communicate with you in a way that:

- Is easy to **understand**.

- Is **accessible** for you.

- Is **suitable** for you.

Activity Alliance is committed to research that ends well. We will:

- **Act** on what we learn.

- **Track** the impact of our work.

- **Tell you** what changed because you took part.

- Use your feedback to **improve** how we do research.

Activity Alliance wants you (the people taking part) to:

- **Choose** how you get involved.

- Be **proud** of your role and know that your work has made a difference.

- Feel **comfortable**, confident and accepted as an equal part of our team.

- Grow, learn, and **benefit** from taking part.

- Enjoy being part of our research **community**.
